## Precauzioni di sicurezza

### Spiegazione dei simboli

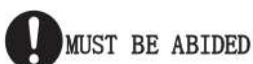

Pericolo – Indica una situazione potenzialmente pericolosa che può causare gravi lesioni o la morte.

Avvertenza – Indica una situazione potenzialmente pericolosa che può causare lesioni o danni materiali.

Vietato – Indica un'azione non consentita.

Obbligatorio – Indica l'obbligo di rispettare determinate disposizioni.

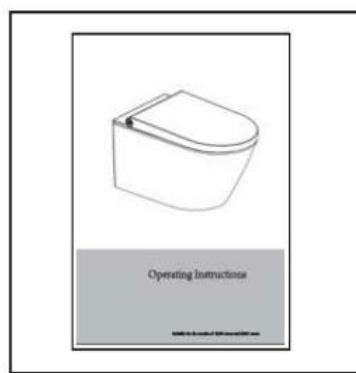

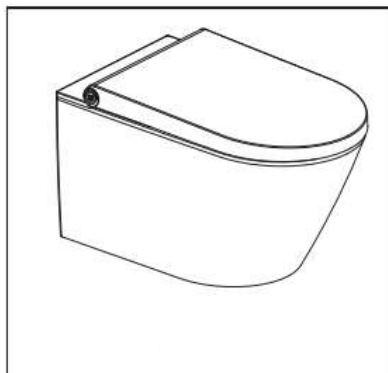

Il fornitore non è responsabile per eventuali danni derivanti dal mancato rispetto delle seguenti disposizioni:

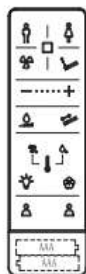

1. Questo dispositivo è un apparecchio elettrico di classe I e deve essere collegato correttamente al sistema di messa a terra.
  2. Se il cavo di alimentazione è danneggiato, deve essere sostituito dal produttore, dal suo servizio di assistenza tecnica o da una persona con qualifica equivalente, per evitare rischi.
  3. Questo dispositivo è un apparecchio elettrico – non deve essere installato in luoghi in cui può essere facilmente spruzzato con acqua o in ambienti con temperature elevate. Si consiglia di installare un ventilatore di scarico o una presa d'aria per garantire un'adeguata ventilazione durante l'uso in bagno.
